Viewing CWA Water Test Results

Custer Water Association performs state required water testing. Many of these tests are performed at the taps of the members. All test results are submitted to the state and are made public on Washington State Departments of Health's website

To see these test results go to:

<https://fortress.wa.gov/doh/eh/portal/odw/si/Intro.aspx>

Click “Start”

Accept the Terms of Service/Privacy Notice and click “Submit”

CWA Water System ID is: 17050

All other fields can be left blank and press “Submit”

Scroll through the tabs as needed. The “Samples” tab will display all samples taken. Clicking on the “Sample Number” will display the results.

Thank you,

Custer Water Association Board
